

2005 Majella Sparkling Shiraz

Specifications:

Variety: 100 % Shiraz

Region: Coonawarra, South Australia

Sparkling red wines are a great Australian tradition, and along with other wineries Majella has kept the tradition alive with our very popular sparkling Shiraz.

Our Shiraz is bottled fermented on “lees” for 12 months. The wine is then disgorged and a small amount of liqueur (sweetener) is added. In the true Aussie tradition we use some really fantastic vintage port.

This vintage we have tried something different and produced some with a “Crown Seal” this will eliminate corked flat wine.

It’s a great wine for any occasion, and goes well with most food styles.

“Great with bacon and eggs”

This wine has in past vintages won best Sparkling Red at the boutique wine awards.

Ageing Potential: 10+ years

Winemaker: Bruce Gregory
